

WHITEHORN

BISTRO

Welcome to Rocky Mountain hospitality at the Lake Louise Ski Resort!

Situated at 6700 feet (2042m), Whitehorn Bistro proudly offers an alpine-inspired menu, nestled within the remodeled Lake Louise Ski Resort's original gondola drive station.

Relentless in our search for locally grown flavours, then incorporated into contemporary Canadian dishes reinvented with a Rocky Mountain twist. Pair your dinner with carefully selected Canadian wines, regional crafted beers or hand-crafted cocktails; creatively infused with locally grown ingredients.

We're proud to collaborate with local, regional, and Canadian award-winning suppliers who share our passion for quality.
